## **Party With A Purpose**

*Giving a party can have many wonderful rewards, but none can compare to the special feeling you'll get by giving a party that helps the high risk children in our community.*

*That is what will happen when you host a  
"Party with a Purpose".*

*Have all the fun you would normally have entertaining your friends, then invite your guests to make a tax-deductible contribution to Sacramento CASA. Collect their donations during the party and deliver to Sacramento CASA. Your gift is giving the party.*

*For more information about hosting a party*
