

## Sonja's Story

Sonja is a bright, fun and energetic 19 year old young adult. Sonja is the mother of a 2 year old little girl, and a part time student at Sierra College studying business. After moving into her very first apartment, Sonja found herself without the essentials needed for living on her own. Making Memories was able to help Sonja purchase bath towels, kitchen supplies, a microwave and other supplies for her and her toddler.

Comment from Sonja: *"Thank you so much for sending me support! The funding helped me add accessories to my home that was needed to help start off my independent living with my daughter. I just want to thank you. It was greatly appreciated!"*
