Did you know INDIVIDUALS account for nearly 90% of all donations to nonprofits?

CASA Sacramento would not exist, and cannot sustain, without financial assistance from our community.

We do not rely primarily on government funding like many child welfare organizations, but instead partner with local individuals, businesses and foundations to help us raise the money we need to ensure we can provide critical services to foster youth.

Our goal is to raise $1,500 at each house party.

That’s how much it costs us to support and supervise a single CASA volunteer advocate for one year.

By pooling resources, you and your guests will make a meaningful difference in the lives of local foster youth.

Party with a Purpose

Every dollar helps.
Have a CASA Connections House Party and “party with a purpose.”

A CASA Connections House Party is an intimate fundraising event, typically in your home, that includes socializing, refreshments and a brief presentation.

Your guests will learn about:
- our community’s foster youth and the role CASA Sacramento plays in their lives.
- your passion for our mission.
- the many ways they too can support our mission.

“At the end of the day it’s not about what you have or even what you’ve accomplished... it’s about who you’ve lifted up, who you’ve made better.

It’s about what you’ve given back.”

~ Denzel Washington

Our goal is to not only raise funds, but also awareness, and garner a wider net of support through new relationships with people passionate about our work.

Think of a House Party as a first step in a long and happy friendship between our organization and your guests, or, a chance to strengthen an existing relationship.
